

WHAT IS BSUPA?

Simply put, it is The British Stand Up Paddle Association.
It is a non profit organisation set up to promote and assist all aspects of British SUP.
BSUPA has been created to be an un-biased, source of information for all things SUP, providing an unbiased open forum, enabling anyone to contribute to the evolution of SUP .
Our website - www.bsupa.org - will act as the focal point of the British SUP community.
We are here to support anyone - from Pre-Learners to Paddle-Maestros, to provide directly or in-directly as much assistance as possible.
We provide a comprehensive directory of dealers, schools, equipment and other SUP resources - all dedicated to serving you, to maximise your SUP experience.
BSUPA will also be running a series of SUP competitions throughout the year. These will constitute the official British SUP Tour.
In this and all we do we have the full backing of the BSA and the BLU, as well as many SUP national & international keystones.
Finally, BSUPA will be working to raise the standard and profile of SUP in Britain, through dedicated training programmes and youth development schemes.
Through these schemes we hope to produce athletes who will one day be able to represent Britain in SUP competition at an international/Olympic level.
